Burglengenfeld, 23.09.2025

Dear Sirs and Madams,

we are pleased to inform you that, after more than 36 successful years, our company is embarking on a new chapter: with immediate effect, NBG EDV Handels- und Verlags GmbH will operate under the name of our parent company, **CentreSoft GmbH**.

This step represents for us a symbol of progress, further development, and the vision of strengthening our collaboration with you on an even more European level. What is changing is our name – what remains are the values you have relied upon for many years: quality, reliability, and our personal commitment to your needs.

We kindly ask you to update your systems to reflect our new company name, **CentreSoft GmbH**. Apart from this change of name – formerly NBG EDV Handels- und Verlags GmbH – all other details remain unchanged.

For you, nothing changes beyond the name: all existing contacts, representatives, and services remain in place. Our team will continue to support you reliably and with dedication, so that you may continue to rely on our customary service and dependability.

Thank you very much for your trust and partnership. We look forward to continuing our successful collaboration with you in the future and to exploring new opportunities together.

Yours sincerely,

Thomas Schütterle
Managing Director
